UPCOMING BODYBUILDING/FITNESS/FIGURE CONTESTS - BB NEWS

By Jolanda Beuving

Hi guys!

As you all know, there's been a lot going on in the world of Dutch Bodybuilding. At MuscleMag The Netherlands we all hope for a happy ending, resulting in a better environment for all Dutch athletes, who proudly represent our country at every competition. And boy, do we have a reason to be proud! All eyes are now on Roelly Winklaar, the first Dutch athlete since the eighties to enter the stage of the Mr. Olympia contest, the number 1 contest IN THE WORLD!

Then a short personal message: After stepping down as board member and coach for the NBBF, I have been elected part of the executive council of the EBPF, the European division of the new WBPF. To be clear with all MMNL readers, this won't have any consequences on my work for MuscleMag The Netherlands - we remain an independent magazine! So, I keep asking ALL of you to send us your BB news, from major injuries, to challenges, to competition results. We want to know it all! Mail to: redactie@musclmedia.nl

Jolanda's Titles: Dutch Champion 2000, Miss Universe 2004, Miss Universe & Mister Universe 2004 (Duo with Yorick Bakker), World Champion and Overall Winner 2004 (Miss World), KNKF Fitness Coach and Chairperson of the EBPF Women's Committee.

THE NBPF ENTERS THE STAGE

On April 4th, the NBPF had its debut competition in the Netherlands; with the JB Cup in Mijdrecht. The NBPF immediately left its mark. One of the highlights was when Jeroen Post personally handed over the first April edition of MuscleMag The Netherlands, with the 10-page special about the Winklaar brothers (ed. Big Brothers) to coach Sybil Peters. (photo: Sydney Korsse)

Also the guest performances of Randolph Bitorina (Classic Bodybuilding Natural athlete) and Floortje van Putten (Body Fitness/BB Natural athlete) contributed to making this day a huge success.
